# I am ready

---

With project "**I'm ready**" through educational campaigns we want to contribute to raising awareness of primary and secondary schools about the risks from natural and other disasters (fires, floods, earthquakes, heat waves, snow, snow blizzard, etc.) and thus contribute to the prevention, more adequate and faster reaction in case of natural disasters, ecosystem protection and improvement of the environment.

**The overall objective of the project** is to raise awareness of primary and secondary schools of natural and other disasters, as well as education on measures to reduce disaster risk.

**The specific objectives of the project** are:

1. Developed safety culture - education and awareness prevencijapodizanjem students;
2. Strengthened civil activism;
3. Improved cooperation between the institutions that are responsible for this area, as well as other state institutions and non-governmental organizations that can be of use.

The project is supported by the Ministry of Interior, with funds from the Fund for protection and rescue and its duration is 9 months, from 01 January to 30 September 2019.
