Logotip for the Future Marine Protected Area â€“ Katic has been selected

Podgorica, 18th of March 2020. NGO Green Home has prepared logotype for the future marine protected area â€“ Katic. Evaluation process has been completed by the Evaluation commission. Evaluation commissionâ€™s were: representatives of Ministry for Tourism and sustainable development, Public Enterprise for Coastal Zone, National Tourist Organization as well as representatives of the project team (Green Home, Montenegrin ecologist society and MedCEM).

NGO Green Home organized two public competitions within was get in total seven ideas for the logotype of future MPA Katic.

Within the competition were awarded in total four awards:

- Fourth place â€“ The author Petar Vujovic, award in total of 50,00EUR
- Third place â€“ The author CEZAM, award in total of 100,00EUR
- Second place â€“ The author Drazen Jovic, award in total of 150,00EUR
- First place - The author Sara Jolic, award in total of 1000,00EUR.

When the Katic proclaimed as a MPA, selected logotype will be delivered to the future manager of MPA, as one of the possible solution for visual identity of marine protected area â€“ Katic.

Activity was realized within the project: Support local communityâ€™s involvement in the promotion and protection the future MPA Katic which is financed by Critical Ecosystem Partnership Fund â€“ CEPF.
