Travel to Europe

The project "Travel to Europe" is again organized in the Western Balkans countries: Albania, Bosnia and Herzegovina, Macedonia, Montenegro and Serbia.

The project aim is introducing EU countries to young people, their inhabitants, lifestyle, cultural - historical monuments and traditions as well as presentation of Montenegro and its natural and cultural values. One of the goals of this project is certainly the popularization of values and ideas of the European Union.

This project gives an opportunity to the best final-year students (students of bachelor and master studies and graduates) from the University of Montenegro to travel to Europe in small groups under favorable conditions.

For selection of students, who will spend the summer traveling in Europe, will be through open competition that includes clear criteria with special emphasis on the success that was achieved during the study and knowledge of foreign languages. In addition, advantage in the selection of candidates will have students who have never traveled to EU countries.

Students will begin the journey in Berlin (23rd -27th July 2017). Students from Montenegro will have an opportunity to meet colleagues from the region, jointly explore the sights of Berlin and participate in panel discussion specially organized for them. After Berlin, all students will continue travel independently or in small groups and they create "route" without any restrictions.

The project "Travelling to Europe" is supported by Robert Bosch Stiftung Foundation through the Balkan Trust for Democracy and Ministry for Sport, Directorate for Youth.
