Regional workshop - Regional action for combating forest crime and corruption

Join us to the 3-rd regional workshop, organized by CNVP, FEA and Green Home, in frame of the project "Regional action for combating forest crime and corruption".

We are inviting you to join the workshop, to be held on line via Zoom platform, on **10 & 11 June 2021, from 10:00 h CET.**

Topics and the discussion points of the third regional workshop are planned as follows:

- presentation of project web site;
- presentation of a guide for use of software for monitoring illegal activities;
- illegal logging maps and GIS data;
- presentation of findings from the studies and trainings;
- training on monitoring indicators for illegal activities in forestry;
- presentation of the results/bottlenecks of action plan implementation related to fight against illegal activities in forestry of Montenegro;
- illegal activities in protected areas in Montenegro;
- short project presentation and planed future activities.

If you are willing you join us please, follow the link to the workshop:
